

Your Health,

On Your Terms —

Anytime, Anywhere

With Revive's all-in-one virtual care bundle, getting the support you need is **fast**, **easy**—and **completely free**.

What's included in your plan?

VIRTUAL URGENT CARE

Skip the clinic and see a U.S.-trained, board-certified provider who has at least 10 years' experience in virtual care faster than sitting in a cold waiting room.

- Available 24/7/365
- No copays, ever
- Connect from home, work, or on the go

Whether it's a late-night fever or a weekend bug, care is just a click away.

EASY, AFFORDABLE PHARMACY

Medications made simple—and free.

- 1,000+ daily prescriptions delivered to your door
- 70+ urgent care medications available for pickup at 70,000+ retail pharmacies
- Pharmacy Discount Card for added savings at retail

**Members on a HDHP have access to over 500 preventative meds available for free home delivery.*

*See benefit guide for details on medication fees and access restrictions by state.

GETTING REGISTERED IS EASY:

Scan the QR code or [click here](#)

Enter your enrollment code and email address

EQUISOFT19

You'll get a confirmation email with steps to complete your registration—simple, secure, and ready in minutes.
