¹ Acceptance will be based upon answers to questions on your application.

² Loans, withdrawals, and death benefit accelerations will reduce the policy value and the death benefit and may increase lapse risk. Policy loans are tax-free provided the policy remains in force. If the policy is surrendered or lapses, the amount of the policy loan will be considered a distribution from the policy and will be taxable to the extent that such loan plus other distributions at that time exceed the policy basis.

TRANSELITE HCV - UNIVERSAL LIFE INSURANCE: HCV policies have flexible premiums and can be funded with minimum premiums, but are typically used to build up cash surrender values. Cash value growth depends on the current interest crediting rate and cost of insurance charges. HCV policies have a minimum guaranteed interest rate and a maximum guaranteed cost of insurance. The premium is expected to provide coverage to age 100, plus a cash value equal to the face amount at age 100. The premium is expected to sustain the policy – however, skipped or reduced premium payments, charges in the non-guaranteed interest rate or charges, or acquiring a policy loan, a partial surrender or a face amount increase could require additional payments.

ACCELERATED DEATH BENEFIT FOR TERMINAL CONDITION RIDER (TI) (RIDER FORM SERIES CRLTI100): Lets the insured "tap into" life insurance in the event of a future terminal illness diagnosis and still provides a benefit for the beneficiary.

WAIVER OF MONTHLY DEDUCTIONS DUE TO LAYOFF OR STRIKE RIDER (WLR) (RIDER FORM SERIES CRLWL100): Protects life insurance from lapsing for up to six months if the insured employee only is involuntarily laid off.

ACCELERATED DEATH BENEFIT FOR CHRONIC CONDITION RIDER (CHR-CRL) (RIDER FORM SERIES CRLLT100): The Accelerated Death Benefit for Chronic Condition Rider accelerates a portion of the coverage amount if a covered person is diagnosed with a covered chronic illness in the best medical judgement and is unable to perform daily activities for a period of at least 90 days without human assistance; or has a severe cognitive impairment that is expected to be permanent or requires supervision to protect the insured's health or safety.

Limitations and Exclusions: What Doesn't Qualify

If an insured employee withdraws the cash value, tax consequences and/or surrender charges may apply.

Fluctuations in interest rates or policy charges may require the payment of additional premiums.

Individuals currently on disability or on premium waiver are not eligible for insurance.

During the first two years, the death benefit for suicide is limited to the return of premiums paid, less any loans, partial surrender amounts, and accelerated benefits paid, if any.

ACCELERATED DEATH BENEFIT FOR TERMINAL CONDITION RIDER

We will not pay for any conditions diagnosed prior to the effective date of the rider.

WAIVER OF MONTHLY DEDUCTIONS FOR LAYOFF OR STRIKE RIDER

We will waive deductions for:

- Up to three layoffs or strikes in one 12-month period;
- For up to six months in any one 12-month period.

A 12-month period will be measured from the date the first month deduction is waived.

If the portability option provision of the contract is exercised, if any, the policy owner will need to provide proof of being employed (other than self-employment) for the six months prior to the layoff or strike.

This rider is not available for self-employed individuals.

The rider will terminate on the earliest of:

- The date the contract terminates;
- The date the contract lapses, subject to the grace period;
- The date the policy owner requests termination;
- The date the policy owner dies
- The anniversary date on or after the insured reaches age 60;
- The date the policy owner assigns the contract to another individual; or
- The date a nonforfeiture option, if any, becomes effective.

CHILD TERM INSURANCE RIDER

This rider is only available during the initial enrollment. This rider will terminate on the earliest of:

- The date the contract terminates, subject to the Conversion Options of this rider
- The date the contract lapses, subject to the grace period
- The date the policy owner requests termination
- The anniversary date on or after the insured child is no longer eligible as a dependent child
- The anniversary date on or after the last insured child has reached age 26
- The date a nonforfeiture option, if any, becomes effective

TERMINATION OF INSURANCE

Insurance, including all riders, ends on the earliest of the following dates:

- The monthly contract date following the receipt of written request to terminate
- The maturity date
- The date the insured dies
- The date the contract lapses or becomes fully paid-up life insurance, subject to the grace period
- The date a nonforfeiture option becomes effective

Limitations and Exclusions: What Doesn't Qualify

PORTABILITY OPTION

If an employee loses eligibility for this insurance for any reason other than nonpayment of premiums, insurance can be continued by paying the premiums directly to us within 31 days after termination. We will bill the employee directly once we receive notification to continue insurance.

Transamerica Employee Benefits (TEB) is a unit of Transamerica Life Insurance Company and Transamerica Financial Life Insurance Company. TEB markets and administers insurance benefits through licensed insurance agents. These agents are typically appointed to sell our products, and products of other providers, and receive various forms of compensation from us for the services provided. We believe our compensation arrangements with our agents are conducted with honesty, fairness, and integrity. In addition, we realize having trusted relationships between our agents and our customers is essential to all involved. To ensure this trust continues and to address any concerns within the industry, we have outlined our policy on agent compensation disclosure.

TEB's policy supports transparency and full disclosure of agent compensation to our customers and prospective customers. In addition, we have put controls in place to facilitate this disclosure and obligate our agents to disclose compensation information to customers: 1) when asked by a customer; 2) when receiving both a fee from the customer and compensation from TEB; and 3) when otherwise required by law. Agents must comply with all applicable laws in the sale of TEB products, including any pertaining to the disclosure of compensation information.

Up-to-date information regarding our compensation practices can be found in the Disclosures section of our website at tebcs.com.
